

## INTRODUZIONE CARATTERISTICHE GENERALI DELLA COLLEZIONE

Introduction  
general characteristics of the collection

La collezione JOY pur appartenendo a quella serie di mobili denominati "monoblocco" rivede la concezione standard del mobile, introduce nuove forme e rende il mobile alquanto accattivante con le sue forme morbide e ante la cui maniglia è direttamente ricavata nel legno con una forma tutta sua, inoltre la collezione è impreziosita dalla presenza del legno nelle sue finiture che sono quelle delle mazzette legni BERLONI BAGNO.

Although the JOY collection belongs to the series of units known as "one-piece", it offers a new concept in standard units, with its new forms that make each unit eye catching, with soft shapes and doors with handles created directly in the wood with a wholly individual format. The collection is also enhanced by the different woods from the finishes in the BERLONI BAGNO range.

### STRUTTURE DEI MOBILI

I fianchi esterni, le ante ed i cassetti sono realizzati in essenza di legno (sp. 18 mm) oppure nelle finiture laccate lucide / opache della mazzetta BERLONI BAGNO.

Gli interni sono in nobilitato bianco con i ripiani in cristallo e corredato di lampade LED, è disponibile anche per le versioni a terra anche uno zoccolo in alluminio.

#### UNIT FRAMEWORK

The outer sides, panels, doors and drawers are in wood effect (18 mm thick) or with gloss / matt lacquer finish from the BERLONI BAGNO range. The interiors are faced in white with crystal glass shelves and complete with LED light, and are available on floor units as well as those with aluminium plinth.

### BASI E COLONNE CURVE

Le basi in 1 o 2 lati, le colonne in 1 lato hanno un ampio raggio di curvatura che le caratterizza inconfondibilmente.

#### CURVED COLUMN AND BASE UNITS

The base units, which have 1 or 2 sides or the column units, with 1 side, have a wide curving radius that give them an unmistakable style.

### TOP CRISTALLO E MINERALMARMO

Cristallo con vasca ovale e Mineralmarmo appositamente progettato per questa collezione sono le 2 varianti di top possibili nella finitura bianco lucido per il "mineral" e in tutti i colori della mazzetta laccati lucidi / opachi BERLONI BAGNO.

#### CRYSTAL GLASS OR MINERALMARBLE TOPS

Crystal glass with oval wash basin or Mineralmarbled, designed especially for this collection with 2 variations for tops with white gloss finish for "mineral" and all of the colours in the gloss/matt lacquered range by BERLONI BAGNO.

### TOP CRISTALLO E ASTONE

Tutti e due hanno una vasca ovale, 2 sono le misure 80 cm e 100 cm, nella finitura bianco opaco per l'Astone e in tutti i colori della mazzetta laccati lucidi / opachi BERLONI BAGNO.

#### CRYSTAL GLASS OR ASTONE TOPS

Both have an oval basin, there are 2 sizes (80 cm and 100 cm) in matt white finish for Astone and all of the colours in the gloss/matt lacquered range by BERLONI BAGNO.

### ZOCCOLO IN ALLUMINIO

Optional è invece lo zoccolo in alluminio H. 10 cm disponibile per le basi a terra L 108 e 123 dx / Sx.

#### ALUMINIUM PLINTH

The aluminium plinth, H 10 cm is available as an optional extra for floor units L 108 and 124 RH/LH.

## INTRODUZIONE CARATTERISTICHE GENERALI DELLA COLLEZIONE

Introduction  
general characteristics of the collection

### ILLUMINAZIONE LED INTERNA

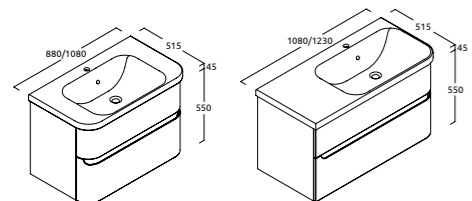

Sia per le basi che le colonne (nella foto) è disponibile una lampada con illuminazione LED che conferisce all'interno del mobile allo stesso tempo praticità e rilevanza estetica.

#### INTERIOR LEDS

Both base units and columns (see photo) can be fitted with LED lamp to give a practical touch to the unit as well as enhancing the overall style.
